Mr. Michael McGeorge,

I just wanted to drop a note letting you know how much I appreciate your staff, craftsmanship, commitment to customer service & the amazing job your company provided while working on my kitchen remodel. The kitchen came out better than I dreamed. Everyone that sees my new kitchen compliments me & I am very proud of it.

Your company also helped remind me there still are honest & quality contractors <sup>still</sup> out there. Working with you for those few months was a great experience. I recommend KRI to all my friends & I will continue to seek your help for all my future projects.

Thanks
